Tablescapes

POWERFUL & DELICIOUS

Natalie Reddell is a Richmond-based residential interior designer, tastemaker and media personality. Natalie takes pride in her southern roots and will be re-interpreting "Rustic" for the Powerful & Delicious dinner. Taking cues from both Palm Beach and idyllic Jeffersonian pastoral settings, "Rustic Redefined" tablescapes will surprise and delight.

The Colony Hotel Lobby in Palm Beach, FL is a great source of inspiration. Reddell's aesthetic incorporates pops of color and classic motifs.
